**REQUEST FOR REMAILING OF OFFICE ACTION**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicant respectfully requests that the Office Action mailed December 3, 2001, be remailed or that the shortened statutory period for response be reset. Although the Action says that it was mailed on December 3, 2001, it was not received by the offices of the undersigned until January 23, 2002, more than seven weeks later. Under the circumstances, it is appropriate that the Action be remailed so that applicant will have the benefit of the full shortened statutory period for response.

A copy of the incoming correspondence log book of the undersigned's firm is attached showing receipt of the Action on January 23, 2002.

Early action resetting the shortened statutory period for response to the pending Action is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 245402001600.

Respectfully submitted,

Dated: January 24, 2002
